Technical HS Board Kerala
(2015 - 2018)

SKILLS

- Kotlin
- Jetpack Compose
- Html & Css
- Javascript
- Git
- Problem Solving
- Leadership Quality

LANGUAGE

- English
- Malayalam
- Tamil

PROFILE

Detail-oriented and passionate Computer Science graduate with a proven ability to design and develop user-friendly applications. Expertise in Kotlin, Jetpack Compose, JavaScript, and web technologies. Eager to contribute to a dynamic team and develop cutting-edge software products.

PROJECTS

Woof App

<https://github.com/aswin-as/woof>

- Learned how to apply Material Design theming in Jetpack Compose for consistent UI.
- Implemented dark mode and light mode themes to create a visually adaptive app.
- Integrated animations to enhance user interactions and app transitions.

Whatspp Clone

<https://github.com/aswin-as/whatsappclone>

- Applied Material Design theming for custom UI and implemented both dark mode and light mode support.
- Developed smooth animations to enhance user experience and transitions between screens.
- Built dynamic messaging features with responsive layouts using Kotlin and Jetpack Compose.

Dice Roller App

<https://github.com/aswin-as/Dice-Roller>

- Developed an interactive dice roller app with Kotlin and Jetpack Compose.
- Showcased proficiency in Conditional Statements and Column, Row composables.
